STATEMENT OF ADDITIONAL  
GROUND FOR REVIEW

I, Robert hane, have received and reviewed the opening brief prepared by my attorney. Summarized below are the additional grounds for review that are not addressed in that brief. I understand the Court will review this Statement of Additional Grounds for Review when my appeal is considered on the merits.

Additional Ground 1

Watching video from Sgt. Clifford's body cam, he claims to see me standing prone 20 feet into my dark house. Sgt. Clifford also claims he was able see from ambient light from door and windows. On the video when he claims to see gun, the door was only open inches and there are absolutely no windows in or even close to that hallway. All windows in house had curtains drawn closed and win terized. I was restraining dog from charging police not holding any gun. Wasn't even assembled at that time.

Additional Ground 2

Sgt. Clifford states that I, Mr. hane said "don't make me do something F----- stupid" 2RP at 246. When did this supposedly happen? It does not reflect on body cam video or audio at any time during encounter.

If there are additional grounds, a brief summary is attached to this statement.
